- Clean Air filter
- Audible & visual open door warning signal
- Refrigerator shelves: 4 Full Width + 1Flexi shelf, Foil on Plastic
- FlexiShelf
- Egg tray: 2 for 6 eggs
- Door hinges placement: Right & Reversible

Electronic Dual Touch Control. Fine-tuned with a touch

Take complete command of every fridge function with Electronic Dual Touch Control. The panel and LED display offer effortless access to temperature and general settings. Fine-tune everything with precision for superior food storage.

Fridge space. Adapted seamlessly with FlexiShelf

Experience flexible fridge storage with the FlexiShelf. The front section slides seamlessly underneath the remaining segment to accommodate taller items.

Fully extendable drawer. For complete access

Experience complete visibility and access to fresh produce with the fully extendable drawer. The innovative design means that it can be pulled the whole way out. Offering an easier way to store and retrieve ingredients.

LED lighting illuminates every corner

The internal LED lighting produces a discreet, soft light, shining evenly across the whole space. Plus, LED bulbs are smaller and more energy efficient than standard bulbs – a more sustainable choice.
